I am honored to introduce myself as the president of the Hobbs Hispano Chamber of Commerce for the 2020-2021 term. My name is Susana Arvizu and I am ready to serve our business community in any way possible during my term. My loving husband, Edgar, and my joyous 6 year old son, Eden, are the reason behind my passion to serve our community and make a difference. We moved from Las Cruces to Hobbs in December of 2014 for a better future for our little family. Like many who are new to Hobbs, it was quite the adjustment but Hobbs received us with open arms. It took us about a year to finally feel at home and soon after, I started looking for different organizations for volunteer opportunities. I am currently employed at Armando Ornelas State Farm office and I am a licensed to offer insurance and financial services. I am furthering my career with the company and plan on opening my own agency in the near future. I am eager to take on this role and serve as a leader not only in Hobbs but all of Lea County. I am beyond excited to work with other leaders and business owners to make this growing community stronger and better.

-Susana Arvizu

**Learn more at [2020census.gov](https://2020census.gov).**

The census provides critical data that lawmakers, business owners, teachers, and many others use to provide daily services, products, and support for you and your community. Every year, billions of dollars in federal funding go to hospitals, fire departments, schools, roads, and other resources based on census data.

The results of the census also determine the number of seats each state will have in the U.S. House of Representatives, and they are used to draw congressional and state legislative districts.

Counting every person living in the United States is a massive undertaking, and efforts begin years in advance. Here's a look at some of the key dates along the way:

#### **2020**

- March 12 - 20: Households will begin receiving official Census Bureau mail with detailed information on how to respond to the 2020 Census online, by phone, or by mail.
- March 30 - April 1: The Census Bureau will count people who are experiencing homelessness over these three days. As part of this process, the Census Bureau counts people in shelters, at soup kitchens and mobile food vans, on the streets, and at non-sheltered, outdoor locations such as tent encampments.
- April 1: Census Day is observed nationwide. By this date, every home will receive an invitation to participate in the 2020 Census. Once the invitation arrives, you should respond for your home in one of three ways: online, by phone, or by mail. When you respond to the census, you'll tell the Census Bureau where you live as of April 1, 2020.
- April: Census takers will begin visiting college students who live on campus, people living in senior centers, and others who live among large groups of people. Census takers also begin conducting quality check interviews to help ensure an accurate count.
- May - July: Census takers will begin visiting homes that haven't responded to the 2020 Census to help make sure everyone is counted.

## Ribbon Cutting Events

### Drylands Ribbon Cutting

Drylands Brewing Co. is a Pub/Restaurant in Lovington New Mexico. They are well known for brewing their own beer and for their brick oven pizza. Drylands recently opened a new location here in Hobbs located at **502 W Navajo Dr** known as their Beer Garden & Tap Room. Their new location is the perfect hang out place where you can enjoy some great beer. They don't offer food but you are more than welcomed to BYOF (bring your own food). They also, on occasion, will have a local food truck stationed at the Hobbs location for guest to be able to grab a bite.

**Pan Dulce y Cafe at HHCC**

On Friday, December 13th, we had a special Pan Dulce y Cafe. Not only was it special because it was held at the Chamber's office, but it was also the last one for this wonderful year that is coming to an end.

The Hispano Chamber showed appreciation for its members in this opportunity by serving typical Mexican tamales, and lots of other Mexican sweets. Several guests won door prizes, and the conversations were very enjoyable.
